Brute singlets are available in 4 custom body styles; Long Cut, High Cut (hemmed or ribbed legs) and Women's Cut.

Long Cut: Acceptable for all practice, camps and open tournaments.

High Cut: Acceptable for all high schools, college and internationally sanctioned competition.

Women's Cut: Specifically tailored to fit the female body.

Brute Custom Sublimated Team Singlets

The material that is used for our sublitek or sublimated singlets is a lycra PFP material. It is a heavyweight lycra that is 9.5 oz and composed of 90% polyester and 10% lycra. Sublitek is the process of dying all colors and designs into the fabric. No matter what design is chosen, all of the singlets start out plain white. Then the colors and designs are dyed into the fabric. With all of the colors and art being dyed into the fabric (as opposed to screen printing) it rules out any cracking or peeling on the garment.
